About RiskCap

RiskCap International Ltd is an independent professional services firm dedicated to providing services encompassing the areas of **Governance, Risk Management and Compliance**.

We are committed to innovative thinking, best practice and a strong GRC culture to be at the forefront of our specialist areas and challenge our clients to think differently. We also provide a wide range of ancillary services in order for our clients to receive an all-inclusive service.

Our Independent Director Services

Corporate governance is a key area of focus in the financial services industry. This has not only increased demand for independent non-executive directors but also for those who understand the growing legal and regulatory compliance burdens placed on financial institutions. The independent director supports the leadership of a company with its strategic vision. Thus, the appointment of an independent director is in the best interests of investors and shareholders. Both parties benefit from objective advice and decision making, especially to the oversight of service providers. Our governance service can be:

Independent Risk Director

We can provide experienced risk director, who is independent with additional skills derived from a career in financial services, and as a risk management professional. The risk director fulfils both the function of independent oversight for the board and that of an additional, risk focused approach to the company's governance.

Independent Non-Executive Director

We can provide experienced professionals to serve as independent directors on the boards of financial institutions. The director gives personalized attention to the role by striving to add value to the board's governance process and tailoring the approach to meet the client company's specific requirements.

We understand the fiduciary obligations of the clients we serve, adding significant value and providing investor comfort. Furthermore, we have honed our industry skills, bringing real life experience to the table.
